ANGEL NOVELTY CO.

Woodwork Mfrs.

FITCHBURG, MASS.

To The Trade:

Your Home may be English, French, Italian, or Colonial in architectural design -- but it can fitly have one feature that is 20th Century American . . . "Angel's" Standardized Interior Built-In Specialties!

In presenting this catalog, we are taking the opportunity of assuring you that we have spared no effort to maintain that high standard of excellence upon which the reputation of our goods for Economy, Durability, and Efficiency has been so firmly established.

As a home owner who seeks the fullest satisfaction in beauty, quality, and economy -- or as a dealer who hopes to build a reputation for reliability -- you may choose any "Angel" Product in this catalog with implicit expectation of completely gratifying your desires.

We invite your careful inspection of the following pages illustrating our line of Built-In Specialties, feeling confident that their many distinctive advantages both in design and construction will be readily apparent to you.

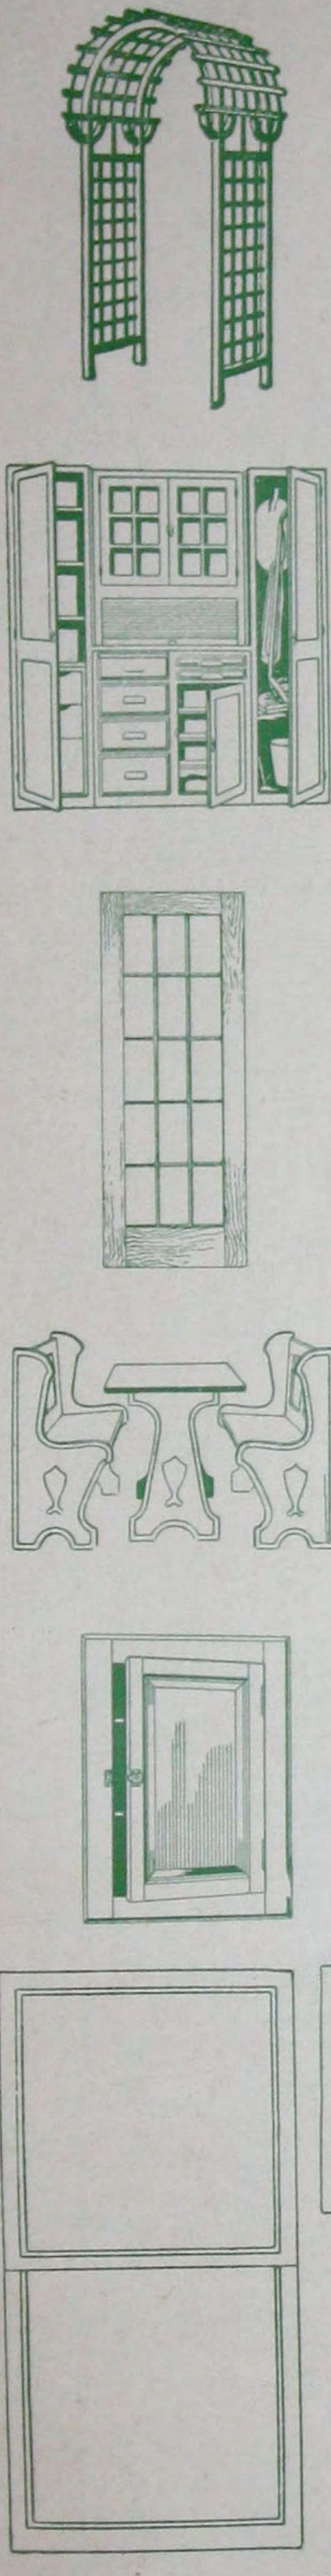

Very truly yours,

ANGEL NOVELTY COMPANY

Our Office

“We Will Carry the Stock You Do the Business”

Close to a half of a million dollars' worth of standardized building specialties and cabinet work . . . always on hand ready to be shipped the same day your order is received.

One Angel Dealer said recently

*“It's just like carrying my stock of Millwork and Specialties . . .
RIGHT ON MY DESK*

with a copy of the Angel Catalog handy within reach, I can show my prospective customer an exact picture of the product (every plate in the catalog is an exact illustration of the article itself). From the catalog description I can point out the various features, the size and price . . . When the sale is completed I can promise delivery within a few days, then phone, wire or mail the order to the factory, knowing that it will be on the way at once.”

Any Hour, Any Day, Any Week, Any Month

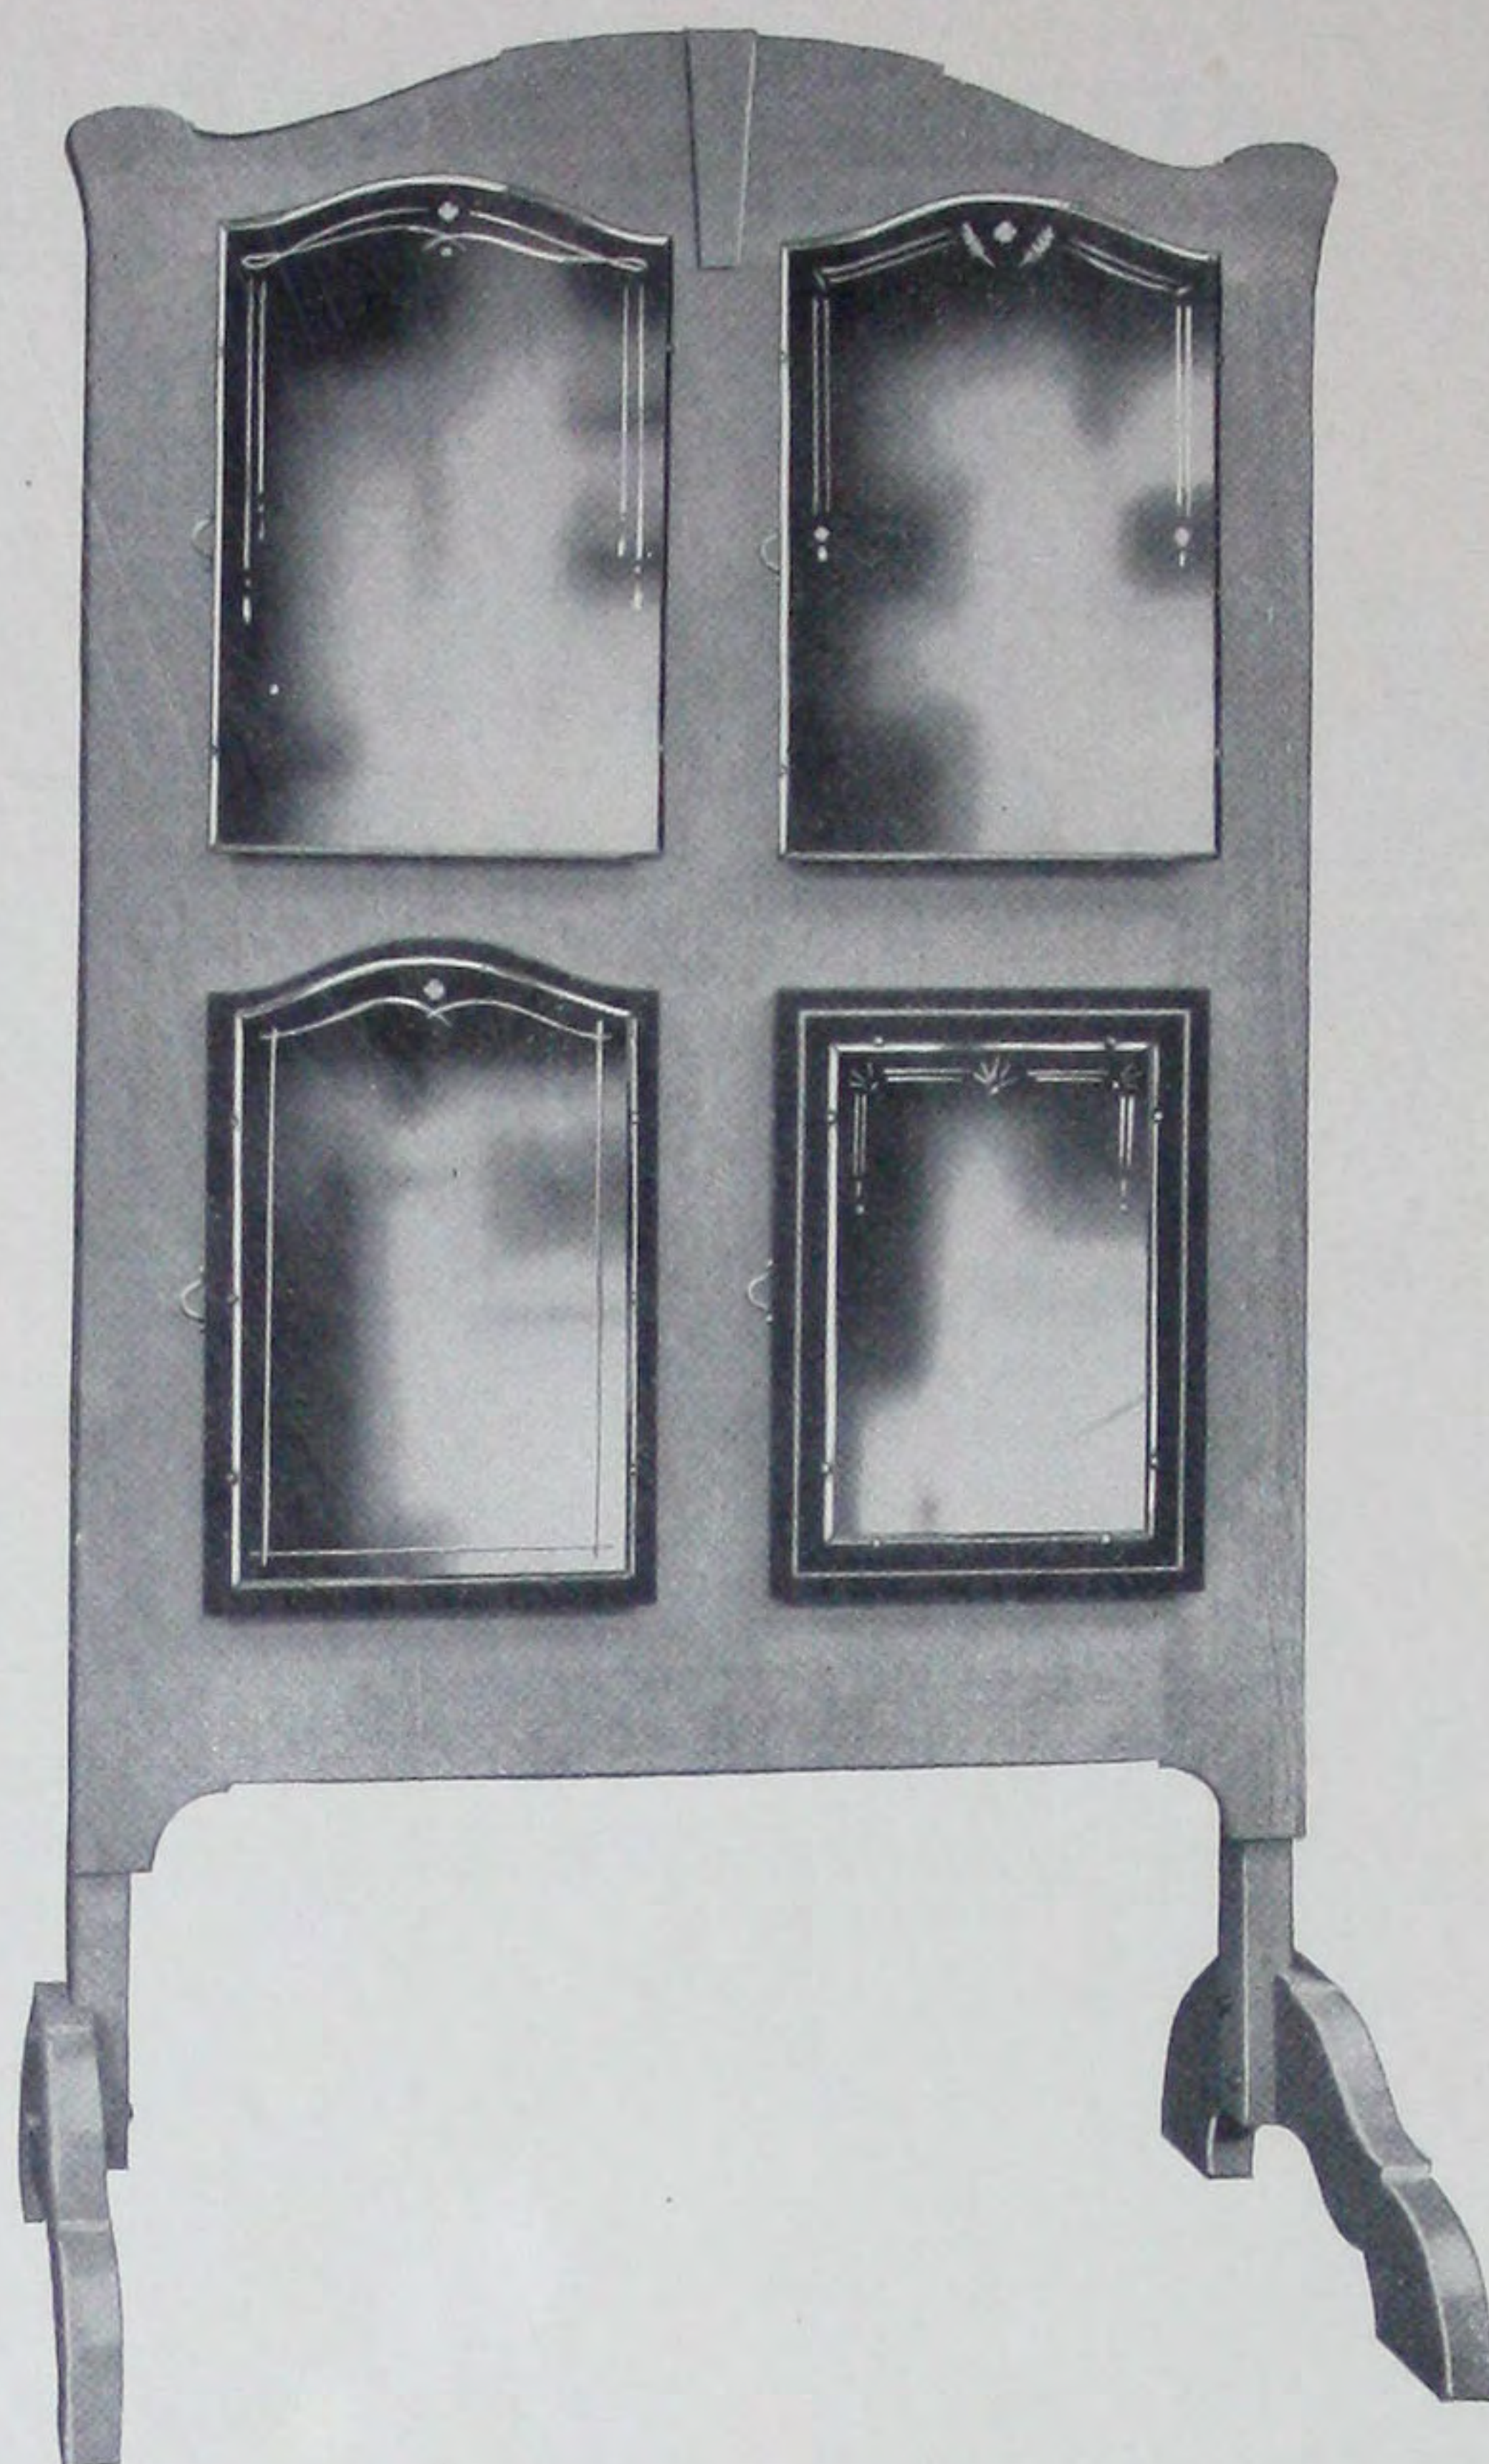

AN Angel DEALER MAY

IMPORTANT ! - - - Read these Instructions - - - BEFORE ORDERING !

Before mailing your order — spare a moment or two and read the description covering the articles on your order very carefully . . . Be sure to state item number, thickness, length, width, depth, or height, knock down or set up, glazed or open, kind of material (yellow pine, white pine, gum, oak, etc.). Specify where you desire freight, truck, or express delivery . . .

THIS INFORMATION WILL ELIMINATE COSTLY DELAYS AND INCONVENIENCE.

WINDOWS and SASH

Points of Superiority Found in "Angel's" SASH

1. "Angel" Windows are made from only clear selected White Pine Stock.
2. Carefully machined and expert assembly has made possible unusual well-fitted joints.
3. Uniform, even and straight-lined Dividing bars found on all Angel Windows — will be an endless source of delight to carpenters, builders and home-owners throughout the country.
4. "Angel" Sash finely sanded throughout by big new 1933 Sander Machine, producing a Sash with uniform thickness throughout and from which the best of service is assured.
5. Our glazed Windows are oil primed and putty bedded, thus insuring a snugly-fitted window, safe from glass-rattle, breakage, and water leakage.
6. Libbey-Owens-Ford-Quality Glass is used on all Angel Sash and Doors.
7. All "Angel" Sash are carefully crated, thus insuring cleanliness and guarding against breakage costs.

The term "Sash" as used in the catalog means one piece and a Window is comprised of two sash, one top and one bottom. Thus a two light window means two Sash each having one light of glass; a four light window means two sash, each having two lights of glass, etc.

Boston size of windows measure $3\frac{5}{8}$ " of wood IN WIDTH over glass and 5" of wood IN HEIGHT over glass . . . all have $\frac{3}{8}$ " lip.

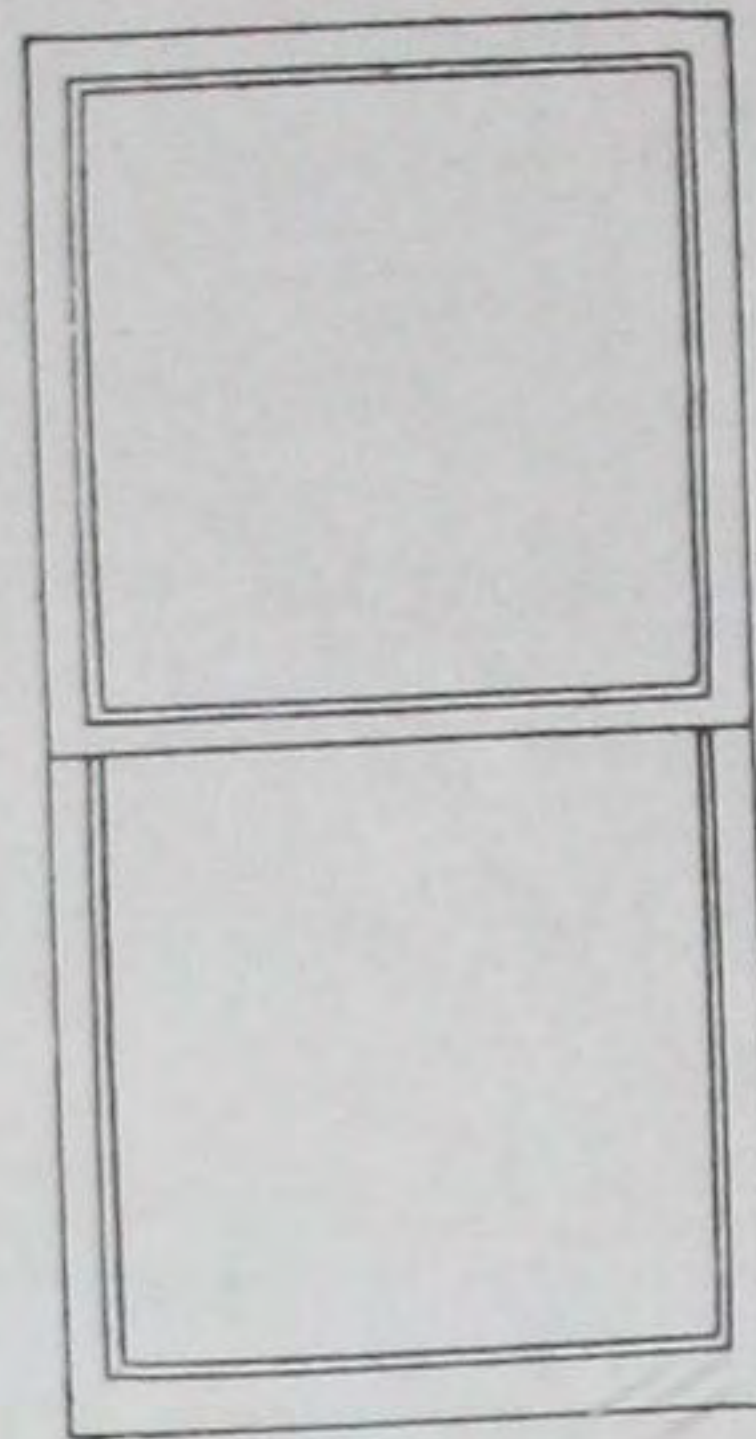

When ordering windows and sash always give glass size, number of lights, thickness and whether window or Sash. If windows are odd sizes (not listed), give outside dimensions and sketch.

Drawer Case

No. 234

Specially designed Steel Drawer Slide, composed of a metal track built into the underside of each drawer, and a Steel Bar Guide is attached to the frame, providing a runway on which drawers slide in and out smoothly and noiselessly. A Roller Wheel is attached to the top of the back end of each drawer and runs along a hardwood Drawer Guide preventing the drawer from sagging when opened. Mortised and Tenoned Joints makes this a strong, rigidly braced case.

Made of clear Arkansas Pine Stock. Drawer bottoms of 3 ply $\frac{1}{4}$ " Fir Panels. Each drawer furnished with Wooden Drawer Pulls (same as shown in illustration). One complete set in crate.

Cooperation is Our Motto!

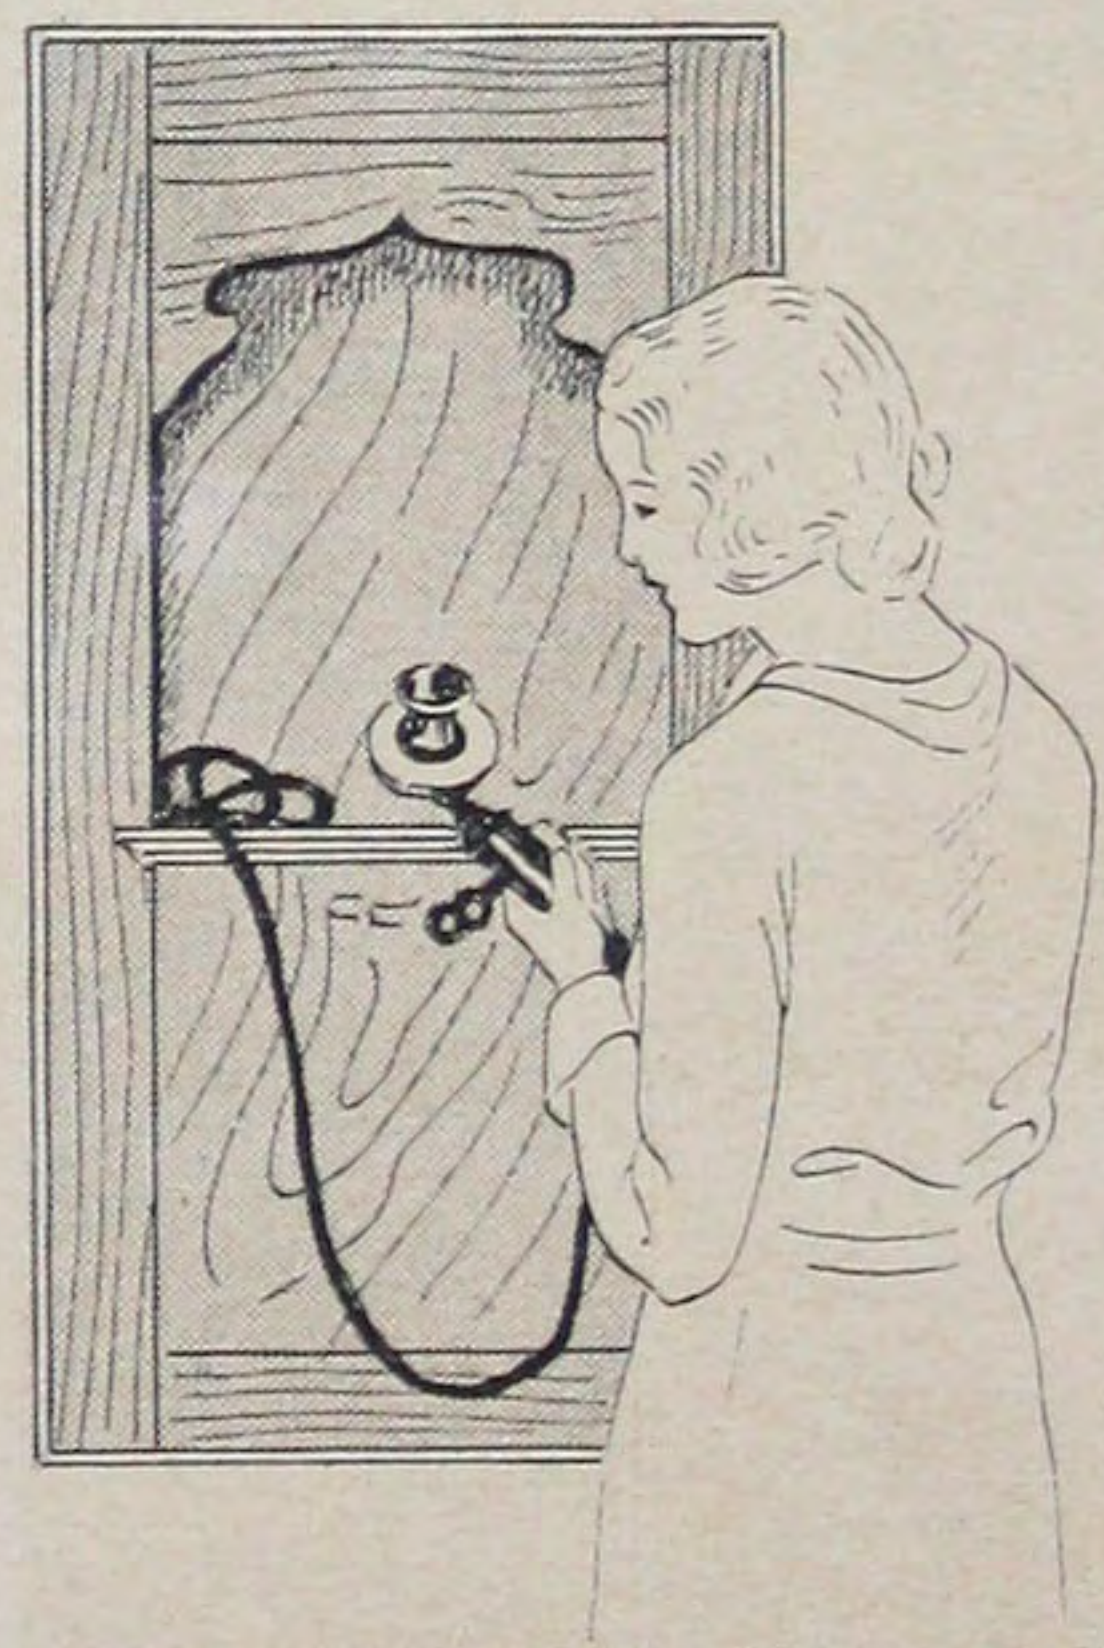

We stand ready to cooperate with you, not only with merchandising and advertising helps as outlined in the Front Pages but also by placing at your disposal one of the largest and most varied assortments of Built-In Specialties in the country. We are continually introducing new and attractive numbers as the demand arises. Our sources of information are attuned to the slightest style changes and we are always on the alert to keep our dealers fully informed and their stock up to the minute in mode.

In offering you this catalog, we do so with the assurance that it represents the best selling and most profitable Standardized Interior Woodwork line in the country.

The design of the "Angel" Built-In Telephone Cabinets is the result of much experimentation and conforms with the requirements of the telephone companies.

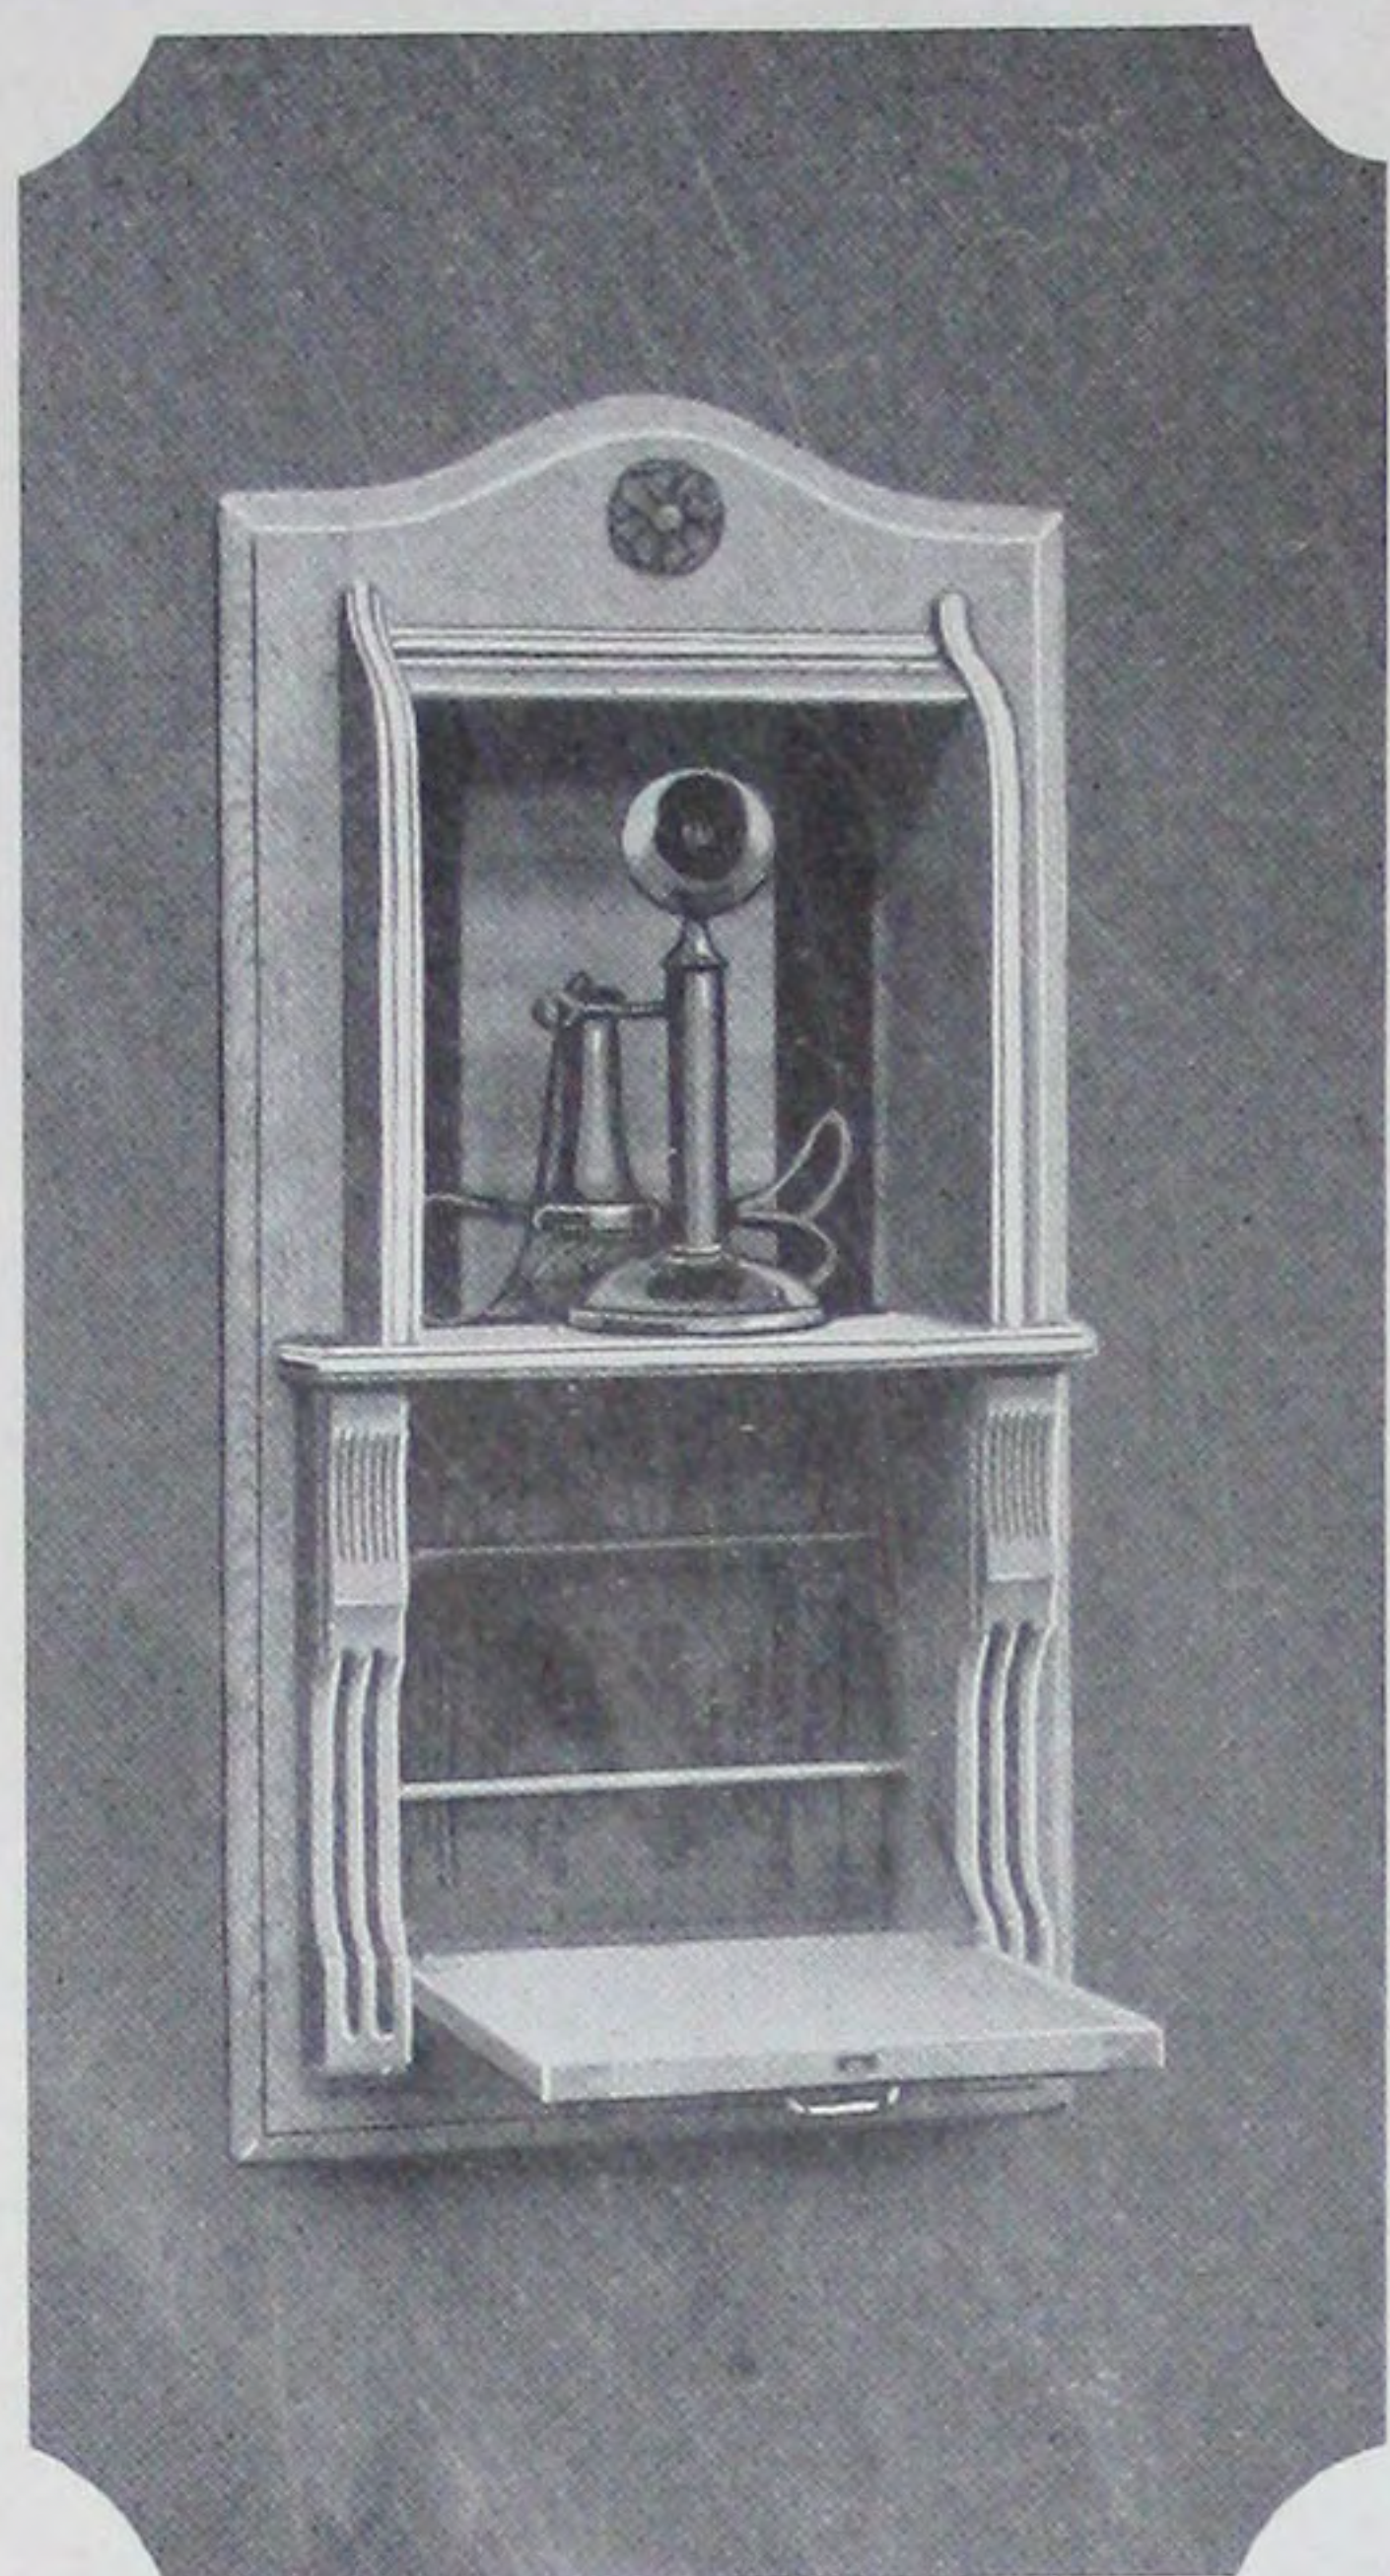

Telephone Cabinets have become popular in recent years. New buildings are few that do not include built-in cabinets. They provide an "out of the way place," and at the same time an attractive receptacle for the telephone instrument and its accessories.

No. 88

Grooved design on Seat and Table Ends offers an opportunity for an attractive scheme when finishing this Set.

A black and white photograph of three pieces of furniture: a central table and two chairs, all featuring a distinctive geometric, carved design. The table has a square top and a thick, stylized pedestal base with a central vertical channel and a wide, flared foot. The chairs have high, curved backs and seats with a similar geometric motif, including a prominent diagonal cutout on the front panel. The pieces are arranged symmetrically against a plain, light background.

Notices

All Orders Subject to Our Acceptance.

Prices quoted here are F. O. B. Fitchburg, Massachusetts.

FOR DELIVERED PRICES

See Schedule of Freight and Trucking Rates on Pages 142-143 and 140 and Weights of all Items Page 139.

IF YOU DESIRE DELIVERED PRICE QUOTED . . . Inquire stating the items and quantity and we will forward the information at once.

CRATING CHARGES

On Full Crate Lots as specified in description for each item there is no Crating Charge, *but on less than Full Crate there is an Extra Charge of 60 Cents for Crating and Handling.*

SHORT OR DAMAGED SHIPMENTS

When goods arrive, check carefully with invoice and should you find any error, kindly advise us promptly. If a shipment should arrive in damaged condition, have the railroad agent make a notation of damage on the face of freight bill, *before goods are taken from station* — then if you desire us to place the claim with railroad for you, keep the shipment on hand for inspection, send us the freight bill and the original Bill of Lading and we will file claim with railroad, *and upon collection of claim from R. R. will credit your account.*

RETURNED GOODS

Do not ever return any material without first writing to us for shipping instructions.

SPECIAL WORK

Drawings and sketches and all necessary details should accompany special jobs and these jobs cannot be cancelled after work has been started except on account of our error.

PRICES FOR SPECIAL JOBS

Depend on quantity, time needed to supply the nature of the goods, and when desired will be quoted on specially. Do not attempt to determine price on special jobs by comparison with regular stock.

IMPORTANT ! - - - Read these Instructions - - BEFORE ORDERING !

Before mailing your order — spare a moment or two and read the description covering the articles on your order very carefully . . . Be sure to state item number, thickness, length, width, depth, or height, knock down or set up, glazed or open, kind of material, (yellow pine, white pine, gum, oak, etc.). Specify whether you desire freight, truck, or express delivery

THIS INFORMATION WILL ELIMINATE COSTLY DELAYS AND INCONVENIENCE.

Less Than Carload FREIGHT RATES on *Angel* PRODUCTS

These Classifications and Rates have been compiled from reliable rate and classification guides and are assumed to be correct but we do not assume responsibility for errors, etc.

HOW TO USE THESE TABLES

First find the classification in which the article is listed — then, find the rate for that class to the R. R. center mentioned here that is nearest to your city or town — weights of products will be found on the descriptive page in catalogue for each item — the actual freight charges are then easily figured based on the rate per 100 lbs.

Less Than Carload FREIGHT RATES on *Angel* PRODUCTS

These Classifications and Rates have been compiled from reliable rate and classification guides and are assumed to be correct but we do not assume responsibility for errors, etc.

HOW TO USE THESE TABLES

First find the classification in which the article is listed — then, find the rate for that class to the R. R. center mentioned here that is nearest to your city or town — weights of products will be found on the descriptive page in catalogue for each item — the actual freight charges are then easily figured based on the rate per 100 lbs.
